

Medical Equipment Assistance Program

ELIGIBILITY CRITERIA - ANNUAL APPLICATION CYCLE

Niyan Foundation helps families access essential medical and therapeutic equipment - including wheelchairs, mobility aids, and other supportive devices - when financial circumstances make access difficult. Every request is reviewed with care, fairness, and respect for the dignity of the family.

Program Snapshot

Equipment awarded annually: 2 units

Review period: All applications are reviewed in March each year

Application method: Online request form at niyanfoundation.com/medical-equipment

Eligibility Requirements

Applicants must meet all four of the following requirements to be considered:

1. Age of the Child

The child requiring the equipment must be between 5 and 10 years of age (inclusive) at the time of application.

2. Family Income Disclosure

The applying family must disclose full and accurate household income details as part of the application, so the Foundation can assess financial need.

3. Doctor's Prescription

A valid, current prescription from a licensed physician or specialist recommending the specific medical equipment must be submitted.

4. Diagnosis Report

A copy of the child's diagnosis report, issued by a qualified medical professional or hospital, confirming the underlying medical condition must be uploaded with the application.

Application & Review Process

Applications may be submitted at any time through the Foundation's online request form.

All applications received are reviewed once annually, in March, by the Foundation.

Only two (2) medical equipment awards are granted per year; applications are evaluated on documented need, completeness, and alignment with eligibility criteria.

Each submitted application is assigned a unique reference number for tracking.

The Foundation may request additional supporting information during review if needed.

Decisions are communicated directly to applicants following the March review.

Required Documents Checklist

- Completed online application form
- Proof of child's age (birth certificate / school ID / government ID)
- Family income disclosure / supporting financial documents
- Original doctor's prescription for the requested equipment
- Diagnosis report from a licensed medical professional or hospital

Niyan Foundation is a family-funded initiative and does not solicit public donations. This document summarizes eligibility for the Medical Equipment Assistance Program; final decisions rest with the Foundation's review process.
