

Orphanage Meal Support Program

ELIGIBILITY CRITERIA - BI-MONTHLY SUPPORT CYCLE

Niyan Foundation partners with registered orphanages to provide practical meal support, helping ensure children in care receive regular, nourishing food. Every request is reviewed with care, fairness, and accountability before support is extended.

Support frequency: Every other month (bi-monthly)

Eligible applicants: Registered orphanages, residential and non-residential

Eligibility Requirements

Orphanages must meet all of the following requirements to be considered:

1. Registration with Appropriate Authorities

The orphanage must be officially registered with the relevant government or regulatory authority (e.g. Child Welfare Committee, Department of Social Welfare, or equivalent local body), with valid registration documentation submitted.

2. Number of Students / Children in Care

The application must state the total number of children currently residing in or attending the orphanage, to allow the Foundation to assess the scale and scope of support needed.

3. Residential or Non-Residential Status

The application must specify whether the orphanage operates as a residential facility (children live on-site) or a non-residential facility (children attend for care/support but reside elsewhere).

4. Approximate Cost of One-Time Meal

The orphanage must provide an approximate per-meal cost estimate, to help the Foundation calculate the scope of support required for the bi-monthly cycle.

5. Notarized Affidavit of Authenticity

A notarized affidavit from local government authorities confirming the authenticity of the information provided (registration status, child count, and residential status) must be submitted with the application.

Application & Review Process

Applications may be submitted at any time through the Foundation's online request form.

Meal support is provided on a bi-monthly basis (every other month) to approved orphanages.

Each submitted application is assigned a unique reference number for tracking.

The Foundation may request additional supporting information during review if needed.

Decisions and support schedules are communicated directly to the orphanage following review.
